

FRIENDS OF ST ANDREW'S CHURCHYARD

CHEW STOKE

Our village churchyard is a special place for many families with their roots in Chew Stoke and for all those whose loved ones are commemorated here. It is a place to sit and reflect for those seeking the peace and quiet of the countryside. And it is a haven for wildlife and flowers growing in the wild areas. In St Andrew's churchyard, there are two yew trees which are thought to be about 700 years old as well as many monuments, two of which are listed.

We are immensely grateful to those who continue to give their time to maintain the churchyard and keep it looking beautiful for us and visitors to the village. But we no longer have enough volunteers to ensure that this can continue on a voluntary basis or the money to pay for regular professional help.

We are therefore launching an ***Association of Friends*** to support essential maintenance work in the churchyard so that visitors can continue to access memorials easily and enjoy its peace and beauty. If you would like to become a Friend by making a small regular donation, please complete forms on the next two pages and return them to Peter Jameson, at 5 Webbs Mead, Chew Stoke, BS40 8TP.

If on the other hand, you would prefer to volunteer in a practical way by tending a section of the churchyard on an occasional basis during the growing season, please contact Anne Summers on aesummers45@gmail.com

We would be really grateful for any support you could give us.
